

Backup Uninterruptible Power Supply 3x380VAC / 400VAC / 415VAC UPS For Industrial Use

Our Product Introduction

for more products please visit us on power-cabinets.com

Basic Information

- Place of Origin: CHINA
- Brand Name: SZDXZH
- Model Number: H10KL
- Minimum Order Quantity: 1 pcs
- Packaging Details: Woodcase/ Paper box
- Delivery Time: 15-25 days
- Payment Terms: T/T
- Supply Ability: 10000pcs/month

Product Specification

- Product Category: Industrial UPS Power Supply
- Efficiency: 0.89
- Battery Mode: External Battery Pack
- Number Of Installable Modules: 3-10
- Product Name: Modular UPS/Computer Room UPS
- Support And Services: Installation And Commissioning, Maintenance And Repair, Remote Monitoring And Management, On-site Technical Support, Training And Education
- Efficiency (Commercial Power Mode): 0.89
- Country Of Origin: China
- Highlight: **Uninterruptible Power Supply 3x380VAC,**

Product Description

Steady Voltage Industrial UPS Power Supply With 0.89 Efficiency 3*380VAC/400VAC/415VAC

Product Description:

The Industrial UPS Power Supply product falls under the category of Industrial UPS Power Supply, making it an ideal choice for industrial settings such as factories, manufacturing plants, and other heavy-duty environments. Its single module capacity of 20K/30K ensures that it can handle the power requirements of computers and other critical equipment without interruption.

One of the key features of this product is the support and services it offers. It comes with installation and commissioning services, maintenance and repair services, remote monitoring and management services, on-site technical support services, and training and education services. This ensures that customers will receive the necessary support to keep their UPS power supply running efficiently. The model number for this product is H10KL, and it is a reliable and efficient UPS power supply for computers and other critical equipment. Its design ensures that it can handle even the most demanding applications, making it an ideal choice for industrial settings.

Features:

Product Name: Industrial UPS Power Supply

Efficiency: 0.89

Voltage stability (steady state): $\leq \pm 1\%$ Typical value (balanced load) $\sim \leq \pm 2\%$ Typical Value (Unbalanced Load)

Number of installable modules: 3-10

Efficiency (Commercial Power Mode): 0.89

Intelligent Battery Management System: Yes

This UPS backup system is an industrial UPS power supply unit that comes with an efficiency of 0.89. It offers a voltage stability of $\leq \pm 1\%$ Typical value (balanced load) $\sim \leq \pm 2\%$ Typical Value (Unbalanced Load), and can be installed with 3-10 modules. It also has an efficiency of 0.89 in commercial power mode and features an intelligent battery management system.

Technical Parameters:

Product Category:	Industrial UPS Power Supply
Efficiency:	0.89
Number of installable modules:	3-10
Battery Voltage:	24V
Product Name:	Modular UPS/Computer Room UPS
Rated voltage:	3*380VAC/400VAC/415VAC(3PH+N)
Support And Services:	Installation And Commissioning, Maintenance And Repair, Remote Monitoring And Management, On-site Technical Support, Training And Education
True Online Double Conversion:	0ms
Country Of Origin:	China
Battery mode:	External battery pack

Applications:

Designed and manufactured in China, the SZDXZH H10KL is a top-quality UPS power supply for computer rooms, data centers, and other industrial applications that require stable and uninterrupted power supply. Its voltage stability is impressive, with a steady-state of $\leq \pm 1\%$ Typical value (balanced load) $\sim \leq \pm 2\%$ Typical Value (Unbalanced Load), which ensures that your critical equipment and processes are protected from power outages, surges, and other electrical disturbances.

The SZDXZH H10KL modular UPS/computer room UPS is an ideal backup system for businesses that rely heavily on computer systems and other sensitive electronic equipment. Its battery voltage of 24V provides ample power for extended periods, ensuring that your critical operations remain functional even during power outages.

With a minimum order quantity of 1 and a price of \$626.4, the SZDXZH H10KL modular UPS/computer room UPS is an affordable and reliable power backup solution for businesses of all sizes. Its negotiable supply ability, carton packaging, and flexible delivery time make it an ideal choice for businesses looking for a dependable and cost-effective UPS power supply system.

The SZDXZH H10KL modular UPS/computer room UPS is also equipped with a factory standby power unit, which ensures that it starts up quickly and smoothly in case of power outages or other emergencies. Its advanced design and robust construction make it a durable and reliable power protection solution for your industrial applications.

Overall, the SZDXZH H10KL modular UPS/computer room UPS is an excellent choice for businesses looking for a dependable and high-performance UPS backup system. Whether you need a power backup for your computer room or other critical industrial applications, this UPS power supply system is a top-quality solution that delivers outstanding performance and reliability.

Support and Services:

Our Industrial UPS Power Supply product comes with comprehensive technical support and services to ensure that your system is always up and running:

-24/7 technical support: Our team of experts is available around the clock to provide assistance with any technical issues you may encounter.

-Remote monitoring and diagnostics: Our advanced monitoring software allows us to remotely diagnose any issues with your system and provide solutions quickly.

-Onsite support: If needed, our technicians can be dispatched to your location to provide onsite support and maintenance.

-Training and education: We offer training and educational resources to help you and your team get the most out of your Industrial UPS Power Supply.

-Extended warranties and service plans: We offer extended warranties and service plans to ensure that your system is always protected and well-maintained.

Packing and Shipping:

Product Packaging:

1 Industrial UPS Power Supply

1 Power Cord

1 User Manual

1 Warranty Card

Shipping:

Ships within 2 business days

Delivery time depends on location

Tracking number will be provided

Ships via courier or freight, depending on order size

FAQ:

Q1: What is the brand name of the Industrial UPS Power Supply?

A1: The brand name of this product is **SZDXZH**.

Q2: What is the model number of the Industrial UPS Power Supply?

A2: The model number of this product is **H10KL**.

Q3: Where is the Industrial UPS Power Supply manufactured?

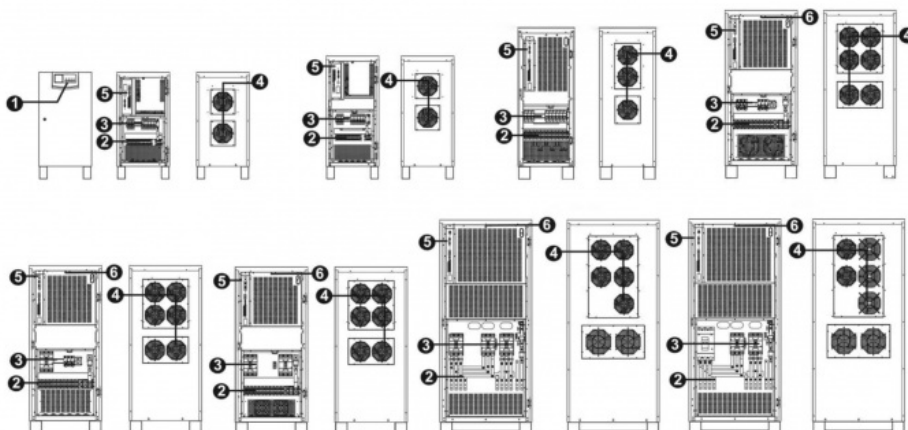

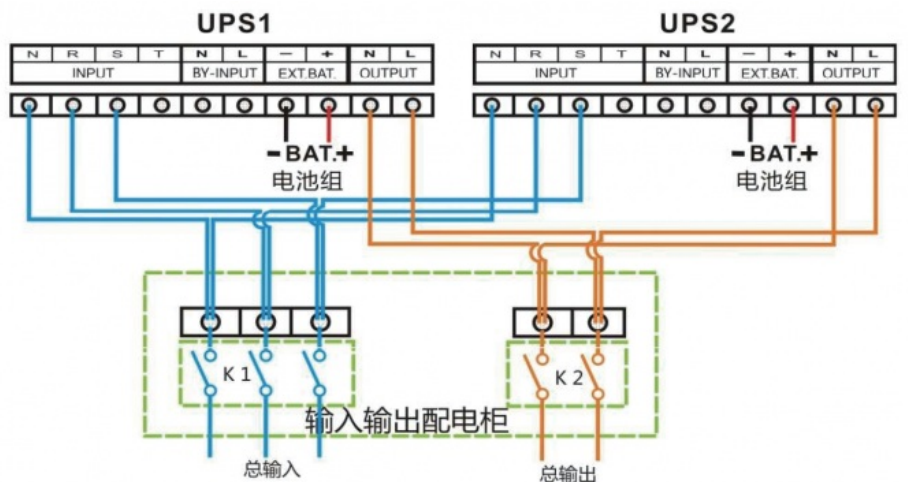

A3: This product is manufactured in **China**.

Q4: What is the minimum order quantity for the Industrial UPS Power Supply?

A4: The minimum order quantity for this product is **1**.

Q5: What is the price of the Industrial UPS Power Supply?

A5: The price of this product is **\$626.4**.

parameter	describe
Input voltage/frequency	Exchange input voltage and frequency
Input voltage/frequency	Exchange input voltage and frequency
Load%	Communication output load percentage
Bypass voltage/frequency	Bypass input voltage and frequency
battery voltage	Current battery voltage value
Number of battery cells	Current number of battery cells
Battery capacity	Current battery pack capacity
real-time control	Provide system control functions
Real-time data	Provide real-time operational data for UPS
Setting	Can modify the operating parameters of the system and its functions
Information	Display current alarm and fault information
Event record	Record warning and fault information
mode	Display the operating mode of the machine in icon form
temperature	Temperature parameters of key components inside the box
