

Minimum Voltage Online Industrial UPS Power Supply For Standby Power Unit

Our Product Introduction

for more products please visit us on power-cabinets.com

Basic Information

- Place of Origin: CHINA
- Brand Name: SZDXZH
- Model Number: H10KL
- Minimum Order Quantity: 1 pcs
- Packaging Details: Woodcase/ Paper box
- Delivery Time: 15-25 days
- Payment Terms: T/T
- Supply Ability: 10000pcs/month

Product Specification

- Efficiency (Commercial Power Mode): 0.89
- Net Weight Of The Cabinet(KG): 182, 183.5, 335, 437.5, 625, 549, 620, 331, 419, 516
- Support And Services: Installation And Commissioning, Maintenance And Repair, Remote Monitoring And Management, On-site Technical Support, Training And Education
- Country Of Origin: China
- True Online Double Conversion: 0ms
- Product Packaging: High Frequency UPS Unit, Power Cord, User Manual, Warranty Card
- Industrial Voltage Regulator: Yes

Product Description:

This UPS Power Backup System is equipped with an Industrial Voltage Regulator that ensures your devices receive a stable and consistent power supply, preventing any unexpected shutdowns or damages. The Intelligent Battery Management System also helps to prolong the lifespan of your batteries by optimizing their charging and discharging cycles.

The cabinet size of this product comes in various dimensions to cater to your specific needs, including 1100*514*763, 1100*600*1475, 1100*600*2010, 1065*600*2000, and 1065*1000*2000. This flexibility allows for easy installation and integration into your current setup. With an impressive efficiency rating of 0.89 in Commercial Power Mode, this UPS Power Backup System guarantees to save you money on electricity bills while maintaining optimal performance.

Overall, the 60 KModular UPS/Computer Room UPS is the perfect solution for businesses that require a reliable and efficient Industrial Power Protection Unit. Invest in this product today and experience uninterrupted power supply for your critical operations.

Features:

- Product Name: 60 K Modular UPS/Computer Room UPS
- Support And Services:
 - Installation And Commissioning
 - Maintenance And Repair
 - Remote Monitoring And Management
 - On-site Technical Support
 - Training And Education
- Factory Standby Power Unit: Yes
- Battery Voltage: 24V
- Power Bridge Rectifier: Yes
- Electricity Storage System: Yes
- Cabinet size (Depth*Width*Height)mm:
 - 1100*514*763
 - 1100*600*1475
 - 1100*600*2010
 - 1065*600*2000
 - 1065*1000*2000

Technical Parameters:

Battery Voltage	24V
Net weight of the cabinet(KG)	182, 183.5, 335, 437.5, 625, 549, 620, 331, 419, 516
Factory Standby Power Unit	Yes
Efficiency	Up to 94.5%
Product Category	Industrial UPS Power Supply
Support And Services	Installation And Commissioning, Maintenance And Repair, Remote Monitoring And Management, On-site Technical Support, Training And Education
Country Of Origin	China
Product Name	60 KModular UPS/Computer Room UPS
Industrial Voltage Regulator	Yes
Cabinet size (Depth*Width*Height)m	1100*514*763, 1100*600*1475, 1100*600*2010, 1065*600*2000, 1065*1000*2000
Electricity Storage System	Yes
UPS Power Backup System	Yes
Electric Power Safety Device	Yes

Applications:

The Industrial UPS Power Supply from SZDXZH is equipped with a power bridge rectifier that ensures stable and clean power output. This feature is vital in industries where power quality is critical, such as data centers, manufacturing plants, healthcare facilities, and so on. With an efficiency of up to 94.5%, this Industrial Uninterruptible Power Supply is both reliable and cost-effective.

The H10KL model of the Industrial UPS Power Supply is manufactured in China and has a minimum order quantity of one. The product is priced at \$626.4, and the supply ability is negotiable. The packaging details include carton packaging, and the payment terms are T/T. The delivery time is also negotiable. Being made in China, this product is a testament to the quality of Chinese manufacturing.

The Industrial UPS Power Supply from SZDXZH is perfect for various industrial applications, such as data centers, manufacturing plants, hospitals, and more. With its energy-storage backup generator and power bridge rectifier, this Industrial Uninterruptible Power Supply ensures that there is no downtime and that the power output is stable and clean. The H10KL model is a reliable and cost-effective solution for industries that require uninterrupted power supply.

Support and Services:

The Industrial UPS Power Supply product comes with comprehensive technical support and services to ensure optimal performance and efficiency. Our team of experienced technicians and engineers is available to provide assistance with installation, configuration, and maintenance of the product. We also offer training and consultation services to help you make the most out of your Industrial UPS Power Supply. Our support and services are designed to minimize downtime and maximize productivity, ensuring that your critical systems remain operational at all times. Contact us for more information on our technical support and services.

Packing and Shipping:

Product Packaging:

Industrial UPS Power Supply unit

User manual

Power cord

Mounting brackets and screws

Shipping:

Shipped in a sturdy cardboard box

Product is securely packaged with foam inserts

Shipping weight: 25 lbs

Dimensions: 12" x 10" x 6"

Shipped via UPS Ground

FAQ:

Q: What is the brand name of the Industrial UPS Power Supply?

A: The brand name of the Industrial UPS Power Supply is SZDXZH.

Q: What is the model number of the Industrial UPS Power Supply?

A: The model number of the Industrial UPS Power Supply is H10KL.

Q: Where is the Industrial UPS Power Supply manufactured?

A: The Industrial UPS Power Supply is manufactured in China.

Q: What is the minimum order quantity for the Industrial UPS Power Supply?

A: The minimum order quantity for the Industrial UPS Power Supply is 1.

Q: What is the price of the Industrial UPS Power Supply?

A: The price of the Industrial UPS Power Supply is \$626.4.

Q: What are the packaging details for the Industrial UPS Power Supply?

A: The packaging details for the Industrial UPS Power Supply is carton packaging.

Q: What are the payment terms for the Industrial UPS Power Supply?

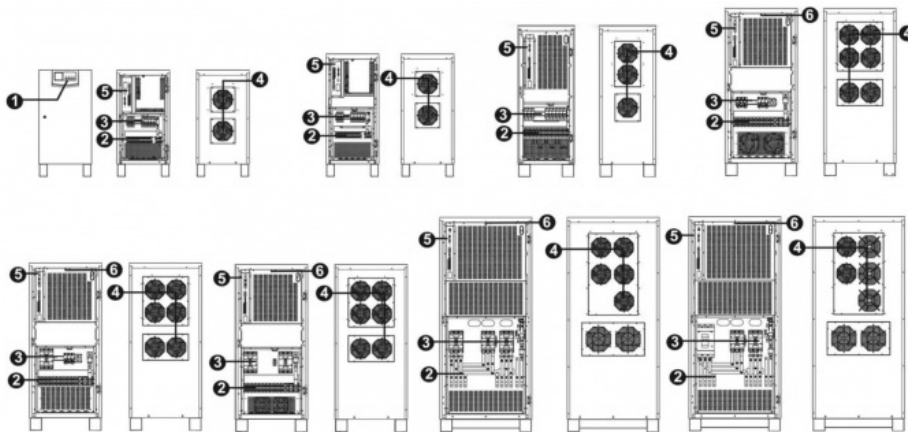

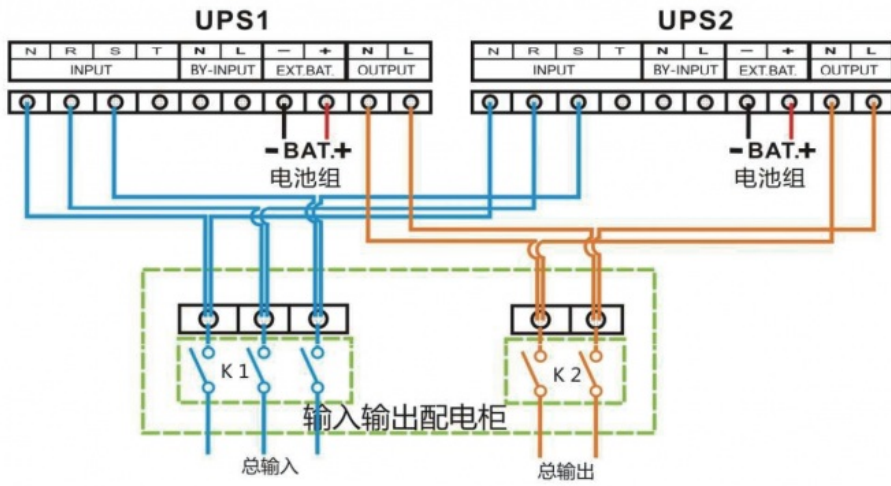

A: The payment terms for the Industrial UPS Power Supply is T/T.

Q: What is the delivery time for the Industrial UPS Power Supply?

A: The delivery time for the Industrial UPS Power Supply is negotiable.

Q: What is the supply ability for the Industrial UPS Power Supply?

A: The supply ability for the Industrial UPS Power Supply is negotiable.

parameter	describe
Input voltage/frequency	Exchange input voltage and frequency
Input voltage/frequency	Exchange input voltage and frequency
Load%	Communication output load percentage
Bypass voltage/frequency	Bypass input voltage and frequency
battery voltage	Current battery voltage value
Number of battery cells	Current number of battery cells
Battery capacity	Current battery pack capacity
real-time control	Provide system control functions
Real-time data	Provide real-time operational data for UPS
Setting	Can modify the operating parameters of the system and its functions
Information	Display current alarm and fault information
Event record	Record warning and fault information
mode	Display the operating mode of the machine in icon form
temperature	Temperature parameters of key components inside the box

01

Stable and reliable

ONLINE DOUBLE CONVERSION TECHNOLOGY COMPLETELY ELIMINATES THE IMPACT OF POWER FAILURES AND EFFECTIVELY PROTECTS THE LOAD FROM UNINTERRUPTED OPERATION

02

Ultra-wide voltage

ULTRA-WIDE VOLTAGE INPUT RANGE, EFFECTIVELY REDUCING THE NUMBER OF BATTERY CHARGES AND EXTENDING

03

Green and Energy Saving

REDUCE ENERGY LOSS, EFFICIENCY UP TO 90%, ULTRA-SMALL SIZE, SIGNIFICANTLY SAVES SPACE

COMPARISON WITH OTHER UPS SYSTEMS

90%

EFFICIENCY

04

Convenient and easy to use

EASY TO OPERATE, LCD DISPLAY, FRIENDLY HUMAN-MACHINE INTERFACE, STANDARD MACHINE
