

Outdoor Powder Coating Communication Power Supply For High Demand

Our Product Introduction

Basic Information

- Place of Origin: shenzhen
- Brand Name: daxin
- Certification: CE,UL
- Model Number: DX-C-1k20AH
- Minimum Order Quantity: 10
- Packaging Details: Wooden pallet+cardboard box
- Payment Terms: L/C and T/T
- Supply Ability: 10000pcs/month

Product Specification

- Product Name: Communication Power Supply
- Shipping: By Sea
- Applications: Telecommunication Adapter, Telecom Power Module, Broadband Power Distribution Unit
- Mtp Connector RI: $\geq 60\text{dB}$
- Humidity Range: 10% To 95%
- Installation Method: Floor Installed
- Industrial PC Power Supply: Yes
- Embedded Power Supply Brand: Daxin

Product Description

Outdoor Powder Coating Communication Power Supply For High Demand

Product Attributes

| Attribute | Value |
|-----------------------------|--|
| Product name | Communication Power Supply |
| Shipping | by sea |
| Applications | Telecommunication Adapter, Telecom Power Module, Broadband Power Distribution Unit |
| Mtp Connector RI | ≥60dB |
| Humidity Range | 10% To 95% |
| Installation Method | Floor Installed |
| Industrial PC Power Supply | Yes |
| Embedded Power Supply Brand | Daxin |

Product Description

The Communication Power Supply is equipped with an Mtp Connector RI: ≥60dB, ensuring that your devices receive clean and stable power. This feature helps to protect your devices from power surges and other electrical problems, ensuring their longevity and performance.

The Cabinet Layout of this power supply is designed with one compartment, making it easy to install and use. The compact design also makes it easy to transport, making it ideal for use in a variety of settings.

The Embedded Power Supply Brand for this product is Daxin, a trusted and reliable brand in the power supply industry. This ensures that you can rely on the Communication Power Supply to provide reliable and stable power to your devices.

Features

Product Name: Power conversion module for monitoring cameras/communication/government units/factories

Humidity Range: 10% To 95%

Installation Method: Floor Installed

Packaging Details: Wooden pallet+cardboard box

Mount Way: 19-inch Mount

12V 1A Power Supply

DC DC Switching Power Supply

CCTV Power Supply Adapter

Technical Parameters

| Parameter | Value |
|--------------------|----------------|
| Internal Dimension | 482.3×380×44mm |

| | |
|-----------------------------|--|
| Cabinet Layout | One Compartment |
| Price | \$2850 |
| Minimum Order Quantity | 10 units |
| Applications | Telecommunication Adapter, Telecom Power Module, Broadband Power Distribution Unit, CCTV Power Supply Adapter, CCTV Switching Power Supply, Industrial PC Power Supply |
| Installation Method | Floor Installed |
| Mtp Connector RI | ≥60dB |
| Embedded Power Supply Brand | Daxin |
| Mount Way | 19-inch Mount |
| Product Name | Power conversion module for monitoring cameras/communication/government units/factories |

Applications

This communication power supply is certified by CE and UL, ensuring that it meets the highest safety standards. It is manufactured in Shenzhen, ensuring the product's quality and reliability.

The input voltage of this communication power supply ranges from 100-240V, making it suitable for use in different countries. The surface is coated with outdoor powder to ensure its durability and reliability in outdoor environments.

The capacity of this communication power supply ranges from 48V/10A to 150A, making it perfect for a wide range of applications. It is suitable for use in communication equipment, instrument power supply, and other electronic devices.

Support and Services

Packing and Shipping: The Communication Power Supply product will be packaged in a sturdy cardboard box with foam padding to ensure the product is well-protected during transportation. The box will also include all necessary accessories and a user manual.

Shipping: We ship our Communication Power Supply product through reliable carriers such as FedEx, DHL, and UPS. The shipping cost will depend on the destination and the weight of the package. Once the product is shipped, we will provide you with a tracking number so you can monitor the delivery status.

FAQ

Q: What is the brand name of the Communication Power Supply?

A: The brand name of the Communication Power Supply is Daxin.

Q: What is the model number of the Communication Power Supply?

A: The model number of the Communication Power Supply is DX-C-1k20AH.

Q: What certifications does the Communication Power Supply have?

A: The Communication Power Supply is certified with CE and UL.

Q: Where is the Communication Power Supply manufactured?

A: The Communication Power Supply is manufactured in Shenzhen.

Q: What is the minimum order quantity for the Communication Power Supply?

A: The minimum order quantity for the Communication Power Supply is 10 units.

Q: What is the price of the Communication Power Supply?

A: The price of the Communication Power Supply is \$2850.

Q: What are the payment terms for the Communication Power Supply?

A: The payment terms for the Communication Power Supply are L/C and T/T.

Q: What is the supply ability of the Communication Power Supply?

A: The supply ability of the Communication Power Supply is 5000 units.

Q: What are the packaging details for the Communication Power Supply?

A: The Communication Power Supply is packaged with a wooden pallet and cardboard box.
