

OEM Metal UPS Battery Storage Cabinet For Industrial Commercial Energy Storage

Our Product Introduction

Basic Information

- Place of Origin: SHENZHEN
- Brand Name: daxin
- Certification: CE
- Model Number: ODC-210909C2T-200AH
- Minimum Order Quantity: 10
- Packaging Details: Wooden crate/cardboard box
- Delivery Time: 30 days
- Payment Terms: t/t
- Supply Ability: 10000pcs/month

Product Specification

- Features: Photovoltaic Complementary Power Conversion Module For Monitoring Cameras/communication/government Units/factories
- Product Description: Industrial And Commercial Energy Storage System
- Support And Services: Comprehensive Technical Support And Services Including Installation, Commissioning, Maintenance, Repair, And Training
- Applications: Suitable For Powering Solar Powered Cameras, Communication Systems, Government Units, Factories, And Other Devices
- Product Name: ATS Distribution Cabinet / DC Row Head Cabinet / UPS Distribution Cabinet/Non Standard Customization
- Specification: 5kw
- Product Category: UPS Cabinets

Product Description

OEM Metal UPS Battery Storage Cabinet

Industrial-grade energy storage solution for commercial applications with photovoltaic power conversion capabilities.

Key Features

- Photovoltaic complementary power conversion module
- Supports monitoring cameras, communication systems, and industrial equipment
- Available as ATS distribution cabinet, DC row head cabinet, or UPS distribution cabinet
- Non-standard customization options available
- Output voltage: AC 110V/220V
- Surge protection and battery backup capabilities

Technical Specifications

Product Category	UPS Cabinets
Load Power	10kw
Specification	5kw
Output Voltage	AC 110V/220V

Applications

Ideal for industrial and commercial energy storage systems, including:

- Solar-powered cameras and communication systems
- Government facilities and industrial plants
- Data centers, hospitals, and financial institutions
- Other mission-critical applications requiring reliable power backup

Support & Services

Comprehensive technical support package includes:

- Installation and commissioning
- Maintenance and repair services
- Operator training programs
- Ongoing technical assistance

Ordering Information

Minimum Order Quantity: 10 units
Unit Price: \$6000
Supply Capacity: 10,000 units/month
Delivery Time: 30 days
Payment Terms: T/T

Packaging & Shipping

Each cabinet is securely packaged in:

- Sturdy wooden crate or cardboard box

Protective wrapping to prevent transit damage

Includes all mounting hardware and installation instructions

Shipping available worldwide with tracking provided. International orders may incur additional fees.
