

HR33 Series 10K-60KVA 3-phase Online UPS High Output Voltage and External Battery Support

Our Product Introduction

for more products please visit us on power-cabinets.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Daxin
- Certification: CE,UL
- Model Number: HR33 Series 10KL-60KL
- Minimum Order Quantity: 1 pc
- Packaging Details: Woodcase/ Paper box
- Delivery Time: 15-25 days
- Payment Terms: T/T
- Supply Ability: 8000pcs/month

Product Specification

- Transfer Time: 0ms
- Input/ Output: 3-phase
- Output Voltage: 360/380/400/415VAC (Ph - Ph)
- Load Capacity: 10kVA/15kVA/20kVA/3kVA/40kVA/60kVA
- Installation Method: Rack/ Tower Type
- External Battery: Support
- LCD Display: Yes
- Highlight: 10K-60KVA Online UPS,
External Battery Support Online UPS,
3-phase Online UPS

Product Description

H1KR(L)-H10KR(L) Series High-Frequency Rackmount Online UPS Best For Industrial Applications

Reliable Power Protection with Advanced Online UPS Technology

The **HR33 Series Online UPS** (10K-60KVA) delivers **pure double-conversion technology**, ensuring seamless power backup for critical infrastructure. Designed for **rack-mount and tower installations**, it provides robust protection against power disruptions, including:

Voltage Protection – Stable output under fluctuating input

Outage Protection – Zero transfer time during grid failure

Overload/Short-Circuit Protection – Safeguards connected equipment

Surge/Interference Protection – Filters electrical noise

Key Features of HR33 Online UPS:

- ✓ **Pure Sine Wave Output** – 1.0 power factor for sensitive loads
- ✓ **DSP-Enhanced Performance** – High-efficiency power conversion
- ✓ **ECO Mode** – Energy-saving operation without compromising reliability
- ✓ **Generator & Dual Input Support** – Compatible with backup generators
- ✓ **3-Stage Smart Charging** – Extends battery lifespan
- ✓ **Flexible Battery Configuration** – Adjustable battery count for extended runtime

Technical Specifications

Model	Capacity	Input Voltage Range	Efficiency (AC Mode)
10KL	10KVA/10KW	110VAC–300VAC	95.5%
15KL	15KVA/15KW	110VAC–300VAC	95.5%
20KL	20KVA/20KW	110VAC–300VAC	95.5%
30KL	30KVA/30KW	110VAC–300VAC	95.5%
40KL	40KVA/40KW	110VAC–300VAC	95.5%
60KL	60KVA/60KW	110VAC–300VAC	95.5%

Remote Monitoring & Management

LCD Display – Real-time UPS status tracking

RS232/RS485 & SNMP – Network-enabled remote monitoring

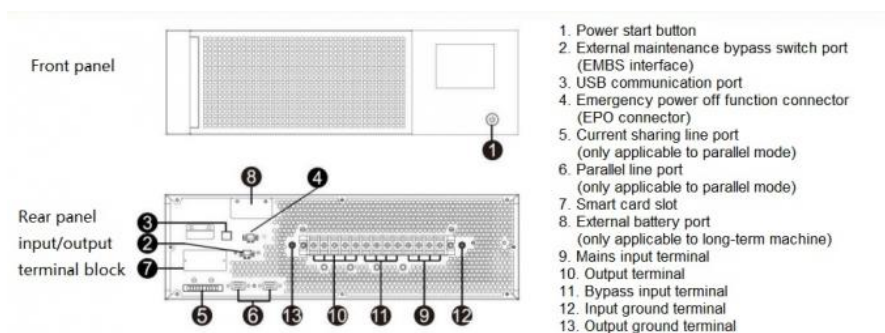

Compatible with Windows/Linux/Mac – Seamless integration

Ideal for:

Government
Military
Banking
Financial
Server
Network Workstation
Network Closet
VoIP Device
Large Network Peripheral
Aerospace
Missile
IT Equipment

Back view:

Unmatched Power Stability with HR33 Online UPS

The **HR33 Series Online UPS** (10K-60KVA) ensures **zero downtime** with **pure double-conversion technology**, making it ideal for mission-critical applications.

Advanced Protection Mechanisms

Overcharge/Overload Protection – Prevents battery damage

Surge/Interference Filtering – Clean power delivery

Emergency Power-Off (EPO) – Instant shutdown capability

Core Advantages

- ✓ **1.0 Output Power Factor** – Maximizes energy efficiency
- ✓ **50/60Hz Frequency Converter** – Global compatibility
- ✓ **Parallel & Isolation Transformer Options** – Scalable redundancy
- ✓ **SNMP/USB/RS232 Connectivity** – Remote power management

Environmental Resilience

IP20 Enclosure – Dust-resistant design

Wide Operating Temp (0°C–40°C) – Suitable for harsh conditions
