

## Pole Mount Outdoor Telecom Cabinet For Telecom Transportation Renewable Energy And Outdoor

Our Product Introduction

for more products please visit us on [power-cabinets.com](http://power-cabinets.com)

### Basic Information

- Place of Origin: China
- Brand Name: Daxin
- Minimum Order Quantity: 1 pc
- Packaging Details: Wooden case with pallet
- Payment Terms: ,T/T

### Product Specification

- Product Highlight: DC Lightning Protection
- Mounting Type: Rack Mounted
- Heat Insulation: PEF
- Application Scenarios: Off-Grid Remote Sites
- Cabinet Layout: 3 Compartment
- Temperature Range: -40°C To +55°C
- Highlight: Pole Mount Outdoor Telecom Cabinet, Renewable Energy Outdoor Telecom Cabinet, Outdoor Telecom Cabinet For Telecom Transportation

## Product Description

# Pole Mount Outdoor Telecom Cabinet For Telecom Transportation Renewable Energy And Outdoor

## Product Attributes

Attribute	Value
Product Highlight	DC Lightning Protection
Mounting Type	Rack mounted
Heat Insulation	PEF
Application Scenarios	Off-Grid Remote Sites
Cabinet Layout	3 Compartment
Temperature Range	-40°C to +55°C

## Product Description

The Daxin Outdoor Telecom Cabinet is a high-performance solution designed to safeguard various types of equipment in challenging outdoor conditions. Engineered by Shenzhen Daxin, a trusted name in the industry, this cabinet offers a comprehensive range of features to meet the diverse needs of telecommunication, transportation, renewable energy, and outdoor event applications.

## Technical Parameters

Model	DAXIN-6560110
Product Name	Outdoor Telecom Cabinet
Manufacturer	Shenzhen Daxin
Cabinet Dimension	W650mm*D600mm*H1100mm
IP Level	IP54/IP55/IP65
Material	1.5mm galvanized steel, single wall
Mounting Way	Pole mount
Cabinet Lock	Anti-theft Three Point Lock
Access	Door sensor
Battery Shelf	Two shelves
Cooling	400W TEC airconditioner
Fan	4 fans on the top
Color	RAL7035
Surface finish	Outdoor Powder Coating
Accessory	Door sensor, LED light, Temperature sensor

## Product Advantages

**Superior Protection:** With an IP rating of up to IP65, the cabinet effectively shields equipment from dust, rain, snow, and dripping water. It also provides protection against vandalism.

**Customizable Sizes:** Available in sizes ranging from 9U internal space to 46U special height sizes, with adjustable external dimensions.

**High-Quality Materials:** Constructed with 1.5mm-2.0mm galvanized steel for durability and strong anti-theft capabilities.

**Integrated Thermal Management:** Equipped with air conditioning (300W to 3000W capacity) to protect sensitive equipment from overheating.

**Comprehensive Support:** Includes site surveys, installation support, maintenance programs, and technical assistance.

## Applications

**Telecommunication:** For outdoor equipment like base stations, routers, and switches.

**Transportation:** For traffic monitoring devices and communication modules.

**Renewable Energy:** For battery storage and power conversion equipment in solar/wind projects.

**Outdoor Events:** For secure storage of audio-visual and communication equipment.

## Key Features

Commercial Power Safe operation

Industrial Commercial Storage solution

Commercial Energy Backup capability

## Packaging & Shipping

The outdoor telecom cabinet is packaged in sturdy cardboard with protective foam padding to ensure safe transportation. Components are securely wrapped and separated to prevent damage.

*Shipping via reputable courier service with signature required. Costs calculated based on destination and weight. Estimated delivery times provided upon checkout.*

## Shenzhen Daxin Intelligent Equipment Technology Co., Ltd

Shenzhen R&D Center

Guangzhou Factory

- Shenzhen Daxin Smart Equipment Technology Co., Ltd. was established in 2019, with its headquarters in Shenzhen and its production base in Conghua. The company is the chairman unit of the Guangzhou Sheet Metal Processing Industry Association.
- We purchased a 500-square-meter R&D office building in Shenzhen; we own 150,000 square meters of industrial land in Conghua and 120,000 square meters of self-built factories. We plan to build another 25,000 square meters within three years. Our current production-related fixed assets are nearly 100 million yuan, and our sheet metal production has environmental protection qualifications.
- An end-to-end supply system integrating R&D design, production, sales, transportation and after-sales service. ODM is mainly for customer-oriented or non-standard design.
- Representative customers: Vertiv Technologies (Ericsson, Nokia, etc.), AUTSUN, Invic, Sunsea Intelligent, Cosin Technology, Kangguan Medical, Kaili Medical, Mindray Medical, Medcaptain Medical, China Post, China Tower, star-rated hotels, government agencies, schools and other chain catering customer groups.
