

Outdoor Photovoltaic Communication Energy Storage Cabinet with Dedicated IP55 Waterproof and Dustproof Design

Our Product Introduction

Basic Information

- Brand Name: daxin
- Model Number: ODC-210909-EPT005
- Minimum Order Quantity: 1
- Price: 1000
- Payment Terms: T/T
- Supply Ability: 5000

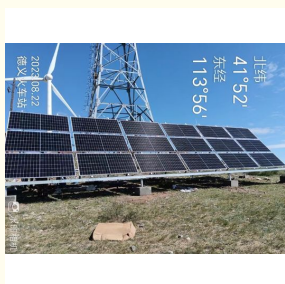

Product Specification

- Highlight: Outdoor Photovoltaic Communication Energy Storage Cabinet
, IP55 Communication Energy Storage Cabinet,
Dustproof Communication Energy Storage Cabinet

Product Description

Outdoor dedicated IP55 waterproof and dustproof photovoltaic communication energy storage cabinet product features

1. Used in outdoor areas with high environmental requirements
2. The product comes with a 220v to 48v communication power supply of 200A, 50A * 4PCS
3. Built in 48V 200AH lithium iron battery to ensure power supply;
4. AC air conditioner with 220V 1500W cooling capacity;
5. Equipped with GPS, providing dual channel input for GPS/Beidou dual satellites;
6. Equipped with FSU; Provide 8 universal DI inputs (supporting dry or wet contacts) for connecting sensors such as smoke detectors, door magnets, and infrared sensors; Provide 1 dedicated DI input (connected to water immersion film) and 8 485 serial ports;
7. Camera; USB interface, 100W high-definition 1080P; Support taking photos when opening the door and uploading data; Connect to FSU and remote management system platform;
8. Intelligent door lock: supports remote unlocking and this C-class emergency key unlocking; Equipped with 485 communication port; Support power on unlocking and power-off locking;
- 9 BBU: Supports installation of 6 units;
10. Transmission PTN; Support installation of 1 unit;
11. ODF frame; Height 2U; 48 core fiber optic ports (FC/LC/SC);
